

## Minutes of Meeting

**Date:** 24th August 2024

**Time:** 3:00 PM

**Location:** MIG, NITT

**Meeting Agenda:** Information about SOFTREC

### **Speakers:**

- Chirag Tomar
- Adarsh Patidar
- Jayram Saha
- Abhinav
- Aman Kumar Sinha
- Anamika Verma
- Janki Kumari

### **Discussion Points:**

- **Remember the name:**

Everyone should remember the names of the seniors who are in SOFTREC and also send your 4D to all of them (if not already) (names are mentioned in the speaker's section above)

- **Read Group Messages Carefully:**

Every message of the **SOFTREC 27-Official** group must be read seriously.

- **Know About Clubs:**

Everyone should be aware of every club and which events every Clubs conduct. You should visit their Instagram pages and website and participate in their induction process.

- **What does softrec do?:**

Softrec is the club that is completely involved in the admission process and orientation process of all the MCA first-year students and provides all possible help for the same.

Softrec is also responsible for maintaining the discipline of the MCA students.

Softrec also conducts three events:-

**SPIELMAC** - competition between 1st year MCA students

**AGM** - softrec annual event

**Softech Classes** - Classes conducted by the NITT alumni regarding the latest industry technologies

- **Contact Softrec:**

If any problem occurs in the class, everyone should contact their respective CR/CCM, but if anything happens outside the class, you should contact SOFTREC members. If you contact any faculty or any other senior/Super directly then they are also going to contact SOFTREC members for the same hence you should contact them directly.

- **Don't File RTI:**

Don't file RTI(Right to Information) because You will get reflected in the eyes of the placement cell which will cause you problems in the future. If there is some information that is important for you then it will be provided to you when the time comes.

- **Try interacting with seniors:**

Say Hello to the seniors whenever you see them and try to interact with them. Never ask about their CGPA, internship, and placements.

- **Sports and Extracurricular Activity:**

Get involved in sports, join club events, and make it a point to connect with students from other departments. This will also help you with your resume.
